## Fireworks Special Newsletter

### 5th November 2021

We would like to say a big thank you to everyone involved in making our Fireworks Night a great success. It takes a lot of work to put on this event but is so worth it to be together after 20 months. We are pleased to share that we raised **£3,670** on the night which will go a long way in supporting our current projects in school.

We are very grateful for our business donations which help keep our expenditure down so more of the money raised can be spent on our children's projects!
