

Heathfield School's Partnership PTA Newsletter

October 2019

Playground Equipment

On Wednesday 16th October the PTA gave the School a cheque for £14,642, that has paid for the updates to the Infant and Junior playgrounds, along with the new Nursery Trim Trail. This is an amazing amount of money that both the previous and the current

PTA have raised along with your help. Together we are providing our children with a great education, both in and out of the classroom and we want to thank everyone who has helped by donating items, old uniform, cakes etc and especially your time to help raise this money.

Let's continue to support the school in the upcoming PTA events.
